

International Symposium

Co-sponsored by Soka University and Kyungnam University and Chinese Culture University

Peace Forum 2020

Creative Collaboration for a Resilient World

—Creating New Shared Values and New policies in the Post-pandemic World—

12th December 2020, 9:00-13:30 (JST)

The Peace Forum, an international symposium co-sponsored by Soka University (Japan), Kyungnam University (Korea), and Chinese Culture University (Taiwan) will be held. This time, we will discuss how we should think and act to achieve human security and peace in a world that has been significantly changed by the pandemic of the new coronavirus.

Keynote Speech

The World Maps in 2100: Freedom in the Age of Great Migration

Professor MINE, Yoichi (Doshisha University)

Panel Discussion

Session I

Creative Collaboration for a Resilient World: Perspective from Japan

Session II

State, People, and Regional Cooperation in East Asia in Post-COVID-19 Era”

Session III

The Cross-Straight Relationships and Prospects after the American Presidential Election in 2020
