
2023 Academic Exchange Support Program for North Korean and Unification Studies - MOU-IFES North Korean Studies Fellowship -

I. Overview

▶ Background and Overview

Managed by the Institute for Far Eastern Studies of Kyungnam University(IFES) with the sponsorship of Minister of Unification(MOU), the “Academic Exchange Support Program for North Korean and Unification Studies” is designed to expand the pool of experts on peace and unification studies on the Korean Peninsula as well as North Korean studies in the international community.

As part of this academic exchange program, we are calling for “MOU-IFES North Korean Studies Fellowship” applications from young scholars whose research interests include studies on North Korea and Korean unification.

II. Fellowship Program

▶ MOU-IFES North Korean Studies Fellowship

The MOU-IFES North Korean Studies Fellowship is designed to provide fellowship support for 6 months to applicants who are interested in Korean Peninsula issues in general, North Korea and unification, in particular.

This fellowship provides numerous programs for scholars including opportunities to work with prestigious experts on North Korean issues, attend special lectures by current and former government ministers and policy makers, and participate in academic exchange, expert workshops, and field trips, among other activities and events.

1) Program Outline

- Special Lectures and Seminars for Individual Research Project

- Cooperative Project with researchers/teams in the institute
- Participation in Academic Programs addressing North Korea and Korean unification issues
- Opportunity to attend/participate in program-related weekly seminars, field workshops, project presentations, and academic forums, among other events

2) Research Period: 6 months

- Research period; **6 months (starts at April*)**

*Start date might be subject to change according to Visa process.

3) Applicant Eligibility

- Foreign nationals who mainly work outside the Republic of Korea in the fields of North Korean studies and/or peace and Korean unification studies (including PhD candidates working on their thesis, and postdoctoral researchers). Or, Person with work experience including journalists, government officials, international development experts, etc. and research agenda relevant to the promotion of peace on the Korean Peninsula will also be considered.
- PhD candidate, PhD graduate, or individuals with over five years of experience in relevant fields.
- The following qualifications will be given favorable considerations:
 - Korean/English language proficiency
 - Previous contributions to academic journals and media
 - Previous presentations to academic conferences and seminars
 - Public sector work experience relevant to North Korean and Korean unification issues

4) Grant Amount

- Living expenses (KRW 2,300,000 to 3,000,000/month)
- Round-trip flight ticket (expense reimbursement)
- Medical insurance coverage
- Settling-in allowance (KRW 1,000,000)
- Lab in IFES

- Library use
